Presenting the ideal compact crossover

With a combination of the latest available amenities, outstanding performance and advanced safety systems, the Kia Sportage is the ideal compact crossover. For exceptional comfort and convenience, available features include ventilated front seats,* a panoramic sunroof* and UVO eServices* infotainment system with voice-command navigation. Sportage's performance is equally impressive thanks to the SX model's 260-horsepower, turbocharged 2.0L Gasoline Direct Injection (GDI) I4 engine. For your peace of mind, Sportage is equipped with a wide range of safety systems,† including a Traction Control System (TCS) and Electronic Stability Control (ESC). The Sportage has also recently been recognized for its initial quality by J.D. Power, which awarded the 2013 model the "Highest Ranked Sub-Compact CUV in Initial Quality in a Tie."²

CUV IN INITIAL QUALITY IN A TIE"²**

FOR THE 2013 SPORTAGE

1, 2, 3, * See Features and Specifications pages for availability and endnotes. †Not all optional features are available on all trims. ‡No system, no matter how advanced, can compensate for all driver error, driving conditions, accidents and/or injuries. Always drive responsibly. Cover: EX WITH PREMIUM PACKAGE SHOWN. This page: SX WITH PREMIUM PACKAGE SHOWN.

Where style meets comfort

Sportage provides spacious seating for five adults with plenty of head- and legroom so everyone can relax and enjoy the drive. A sleek, contemporary instrument panel highlights the impressive interior styling. Thoughtfully designed features that include a power-adjustable driver's seat on EX and SX and available leather seat trim* allow you to travel in all-day comfort.

VENTILATED FRONT SEATS• You'll stay cool on hot summer afternoons thanks to available ventilated driver and front-passenger seats that circulate air through perforations in them. **HEATED FRONT SEATS** For cold-weather comfort, Sportage EX and SX feature heated front seats. **DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL** Temperature control on EX and SX allows the driver and front passenger to create their own climate zones by adjusting their own temperature settings.

*See Features page for availability. Not all optional features are available on all trims. EX WITH PREMIUM PACKAGE SHOWN.

The power of advanced technology working for you

Sportage is equipped with technologically advanced features that just might make driving the highlight of your day. Available features, including a voice-command navigation system* with Rear-Camera Display,^{4*} a Back-Up Warning System^{4*} and push-button start,^{*} are designed to provide an unsurpassed level of control and convenience.

NAVIGATION SYSTEM* Available voice-command navigation includes a vivid 7-inch color touch screen and real-time highway conditions from SiriusXM Traffic.^{5*} **1. REAR-CAMERA DISPLAY^{4*}** This available feature helps you see things behind your vehicle that you might not see by looking over your shoulder. **2. BACK-UP WARNING SYSTEM^{4*}** An available sonar system is concealed in the rear bumper. When you back up, an audible warning is given if the system detects objects behind your vehicle. **3. PUSH-BUTTON START*** Start or stop the engine at the push of a button with the available Smart Key remote, even with the key fob in a pocket or purse. **4. POWER-FOLDING OUTSIDE MIRRORS*** You can easily tuck in the available power-folding outside mirrors using a door-mounted switch or the key fob.

5. USB/AUXILIARY MP3 JACKS Now you have the freedom to listen to your favorite tunes from your own music library. An accessory cable, sold separately, integrates your iPod® mobile digital device⁶ with the audio system controls. **6. SIRIUSXM® SATELLITE RADIO⁵** Get over 150 channels of commercial-free music, sports, news and talk in your Kia. With All Access, enjoy 160+ channels on your computer, smartphone and tablet.⁵ **BLUETOOTH® WIRELESS TECHNOLOGY⁷** Streaming audio is always at your command when using a compatible Bluetooth® wireless technology-enabled device. **TRIP COMPUTER*** An available trip computer provides information such as fuel efficiency and remaining-fuel range.

4, 5, 6, 7, * See Features and Specifications pages for availability and endnotes. *Not all optional features are available on all trims. EX WITH PREMIUM PACKAGE SHOWN.

Connect to your
entertainment
and your vehicle

UVO — short for “your voice” — is an available info-tainment system that integrates advanced voice-recognition technology to help you make hands-free¹ calls and manage your music library. UVO eServices¹ is a subscription-free⁸ information system that enables you to seamlessly connect your compatible smartphone⁹ to your vehicle and access a suite of phone-based features. UVO eServices¹ includes advanced features such as Enhanced Roadside Assist,¹⁰ 911 Connect¹¹ and Vehicle Diagnostics.¹² Sportage EX and SX are also available with the UVO eServices¹ infotainment system with voice-command navigation, which includes features such as real-time access to highway traffic conditions.⁵

UVO eSERVICES' APP⁸
An available free app allows you to integrate your compatible smartphone⁹ with your vehicle — and make the most of UVO eServices.¹ This app can be downloaded at the App Store^{SM13} and Google Play™ Store.¹⁴

	UVO eServices ¹ infotainment system	UVO eServices ¹ infotainment system w/voice-command navigation

MYUVO.COM WEB/MOBILE MyUVO.com lets you check Vehicle Diagnostics ¹² and schedule appointments with your preferred or nearby Kia retailer using your home computer or mobile device.	●	●

● STANDARD ○ OPTIONAL — NOT AVAILABLE

ADVANCED VOICE RECOGNITION
UVO eServices¹ available advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free use of your phone — with simple, intuitive verbal commands.

DIGITAL MUSIC STORAGE
An easy-to-use digital music storage system with in-dash, large-capacity digital storage for your favorite music. It lets you load your songs and sort them by either title or artist.

PARKING MINDER
Available Parking Minder can record your vehicle's location whenever you park. Then, if necessary, you can use your compatible smartphone⁹ to find your car. Parking Minder also lets you take pictures of the surrounding area for reference, write a reminder note or set an alarm if you're parked at a meter.

MY POIs
UVO eServices¹ allows you to use a web-enabled computer to send locations that you find on Google Maps™ mapping service to the navigation system for route guidance.

911 CONNECT¹¹
In the event that an airbag is deployed, available 911 Connect can automatically initiate a call to emergency services. In some circumstances, UVO eServices¹ may also transmit your vehicle's location to the emergency services operator.

1, 4, 5, 8, 9, 10, 11, 12, 13, 14, 15, 16 See Specifications page for endnotes. Actual component appearance may vary. Main image: UVO eSERVICES INFOTAINMENT SYSTEM WITH VOICE-COMMAND NAVIGATION SHOWN.

Enjoy room with a view

Sportage is roomy and versatile. The 60/40 split-folding rear seat easily reconfigures to create abundant cargo space.¹⁷ Numerous compartments help you keep your personal items readily at hand. A tilt-and-slide panoramic sunroof* is also available, allowing you to enjoy a feeling of spaciousness and filling the cabin with fresh air.

1. 60/40 EASY-FOLD REAR SEAT The rear seat folds down in a 60/40 split to accommodate people and cargo.¹⁷ **2. COOLING GLOVE BOX** Along with providing a spot to carry small items, Sportage EX and SX feature a cooling glove box that lets you keep refreshments chilled. **3. CONVENIENT CONSOLE** The center console features a large storage area, where personal items can be kept close at hand, and includes illuminated cupholders. The lid serves as a comfortable padded armrest.

¹⁷, * See Features and Specifications pages for availability and endnote. *Not all optional features are available on all trims. EX WITH PREMIUM PACKAGE SHOWN.

CONCEALED STORAGE A spacious compartment hidden beneath the cargo floor provides plenty of room for all kinds of equipment. The removable tray keeps any loose items neatly organized.

Dynamic performance

Sportage is engineered for outstanding performance. Sportage LX and EX have strong acceleration thanks to their 182-horsepower¹⁸ 2.4L Gasoline Direct Injection (GDI) I4 engine. Sportage SX, with a turbocharged 260-horsepower 2.0L GDI I4 engine, delivers even more driving excitement. A compact design and four-wheel independent suspension provide sporty handling and a remarkably smooth and comfortable ride.

EXCEPTIONAL PERFORMANCE

Both the LX and EX's 2.4L I4 Gasoline Direct Injection (GDI) engine and the SX's 2.0L Turbo GDI engine include Continuously Variable Valve Timing (CVVT). CVVT automatically adjusts valve timing to help maximize power while reducing exhaust emissions.

SMOOTH, PRECISE HANDLING

A four-wheel independent suspension features High-Performance Dampers, front MacPherson struts and a rear multi-link design for a combination of smooth performance and precise handling.

SPORTMATIC® TRANSMISSION

A 6-speed automatic transmission provides smooth, virtually seamless shifting. Its Sportmatic design allows you to choose the automatic mode or, for a sportier driving experience, clutch-free manual shifting.

ALL-WHEEL DRIVE

Sportage has front-wheel or available Dynamax^{TM19} all-wheel drive.²⁰ The AWD system uses electronic sensors to monitor road conditions and, for enhanced traction and control, then helps to distribute power to the appropriate wheels.

HID HEADLIGHTS

SX features LED daytime running lights and Xenon High-Intensity Discharge (HID) headlights for bright, crisp lighting. LX and EX are equipped with stylish front LED accent lights.

18, 19, 20 See Specifications page for endnotes. SX WITH PREMIUM PACKAGE SHOWN.

2013 TOP SAFETY PICK

INSURANCE INSTITUTE FOR HIGHWAY SAFETY
FOR THE 2014 SPORTAGE

NHTSA FIVE-STAR
CRASH SAFETY RATING³

ALL-WHEEL DRIVE SPORTAGE ONLY

Advanced safety systems to help handle unexpected conditions

Advanced safety systems are designed to help give you peace of mind every time you drive.[†] Each one is engineered to help you maintain control, even in challenging road conditions and in some emergency situations. These safety systems are designed to function automatically, leaving you free to focus on the road ahead.

ELECTRONIC STABILITY CONTROL (ESC)

ESC monitors your vehicle's response during emergency maneuvers. It then controls the engine and brakes to help keep your Sportage on course.

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheel spin during acceleration, it uses a combination of engine power and brake force to transfer power to the wheels that have the most traction.

BRAKE ASSIST SYSTEM (BAS)

If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

HILL-START ASSIST CONTROL (HAC)

To help keep you from rolling backward when starting off on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

DOWNHILL BRAKE CONTROL (DBC)

When descending a steep slope, the DBC system automatically maintains a steady speed without the need for you to step on the accelerator or brake pedals.

³ See Specifications page for endnote. [†]No system, no matter how advanced, can compensate for all driver error, driving conditions, accidents and/or injuries. Always drive responsibly. EX WITH PREMIUM PACKAGE SHOWN.

Prepared for the unexpected

Sportage’s safety systems are designed to help minimize injury when a traffic accident is unavoidable. The front seats feature active headrests and seat belt pretensioners. Dual front airbags, front seat-mounted side airbags and side curtain airbags for both front and rear seating positions are managed by an advanced sensor system that can even respond in certain rollover situations.²¹

AIRBAG & SEAT BELT SENSORS²¹

An advanced sensor system manages six airbags by monitoring the severity of an impact, presence of passengers and seat belt use, and then controls airbag inflation accordingly.

ROLLOVER SENSOR

If the airbag sensors detect an impending rollover, this system can deploy the side airbags, side curtain airbags and seat belt pretensioners.

FRONT ACTIVE HEADRESTS

In the event of certain rear collisions, the active headrests move forward, helping to reduce the likelihood of injury.

FRONT SEAT BELT PRETENSIONERS

Pretensioners have been designed to tighten the seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

SIDE IMPACT BEAMS

All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The A and B pillars are also reinforced to help strengthen the body of the vehicle.

LATCH SYSTEM

The standardized Lower Anchors and Tethers for Children (LATCH) system makes it easier to securely install a compatible child seat in any of the three rear seating positions.

21 See Specifications page for endnote. Inflated airbags are shown for illustration only. EX WITH PREMIUM PACKAGE SHOWN.

Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This promise has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features and advanced safety systems. The value found in every Kia vehicle has been widely recognized²² — one reason Kia has been honored in Interbrand’s Best Global Brands 2012 Report.²³

TAKING ON THE COMPETITION
The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia’s belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with a proven track record, and during the 2013 racing season they kept the momentum going. That means you can look for Kia drivers in the winner’s circle at racetracks across America in the months ahead.

COMPELLING DESIGN
Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners as well as Kia’s designers with pride.

COMMITMENT TO AMERICA
Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being built at this plant.* Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 11,000 jobs in West Point and the surrounding areas. It’s all part of Kia Motors’ commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

INDUSTRY-LEADING WARRANTY PROGRAM²⁶
Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program:²⁶

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance¹⁰

DONORSCHOOSE.ORG
Kia is committed to providing assistance to those in need. That’s why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. To date, the “Double Your Impact” campaign — which began with Kia’s \$1 million donation — has resulted in contributions from more than 21,000 “citizen philanthropists” and benefitted nearly 500,000 public school students. In 2013, Kia is launching a major funding campaign that will raise the total impact to \$5 million in just two years.
