## CRAVE

### TOTAL PLEASURE, ZERO GUILT.

Sure, the CR-V has always offered a lot to love. But one look tells you the all-new 2007 CR-V has taken desire to a whole new level. From its alluring sheet metal to advanced technology and available leather seating, this CR-V is everything you want-and everything you need.

CR-V 4WD EX-L shown in Nighthawk Black Pearl.

### BECOME AN INSTANT EXPERT IN GOOD TASTE.

In resculpting the new CR-V's shape, we focused on modern lines, aerodynamics and a meticulous attention to detail. From any angleup close or at a distance-you'll be captivated every time you view it.

# ENTICINE

### RELAX, THERE'S PLENTY OF CR-V TO GO AROUND.

The new CR-V is bound to attract fans of high style, luxury and big roominess. Five adults can soak up the spacious comfort, with lots of cubic space left for cargo. In the EX-L, soft leather and heated front seats let even more of your senses in on this rich new driving experience.

\*Honda reminds you to properly secure items stored in the cargo area.

CR-V EX-L interior shown in Ivory Leather with available Honda Satellite-Linked Navigation System™

### FIND YOUR WAY, THE EASY WAY

In EX-L models, the available Honda Satellite-Linked Navigation System' features a huge database of maps and over 7 million points of interest. Pick your destination, and turn-by-turn directions and voice prompts guide you." Voice recognition can control most navigation and audio system functions. And the rearview camera helps you see behind you when in reverse gear.

\*Some roads unverified. See the navigation system owner's manual for more details on coverage.

### SATELLITE SOUNDS

EX-L models feature XM® Satellite Radio,<sup>2</sup> beaming down more than 170 channels of digital-quality programming.

### IT'S DIGITAL CITY

All CR-V audio systems offer an auxiliary input jack and are MP3- and Windows Media<sup>®</sup> Audio<sup>3</sup> (WMA)-compatible.

### SMART SYSTEMS

The Maintenance Minder<sup>™</sup> system monitors how you drive and alerts you when a specific service is required.

### BRING YOUR FAVORITES

Navigation-equipped EX-L models add a digital audio-card reader that lets you play your downloaded music files.

DRIVER-FOCUSED The illuminated steering wheel-mounted controls help you keep your attention on the road ahead (EX, EX-L).

AIR TO BREATHE The moonroof is designed to let you enjoy the outdoors while minimizing any wind noise (select models).

134

# WIDE OPEN.

### WHEN IN DOUBT, BRING IT.

You like to take your stuff with you. Who doesn't? So when it came to rethinking the CR-V, we built in as much function as fashion. From the easy-opening tailgate to the clever use of space, in fact, the CR-V is a whole new way to go. IN REACH The convenient overhead storage is the perfect place for

### TALK BACK

sunglasses.

A conversation mirror lets you keep an eye on the rear-seat happenings.

MORE SPACE Maps, cell phones, mints or even gloves-it'll fit in the dual glove compartments.<sup>†</sup>

FLIP AND SIP Rear passengers can flip down and enjoy an armrest with beverage holders.

POWERED UP A center console (EX-L) offers beverage holders, an MP3/auxiliary input jack and a 12-volt power outlet. On EX-L models with navigation, the center console also holds a 6-disc CD changer.

### EASY ACCESS

The tailgate swings up with the slightest nudge of your fingertips. Store cargo in a variety of ways, thanks to the dual-deck cargo shelf (EX, EX-L) that opens your options.<sup>\*</sup> It can keep things undercover, and it nestles in the floor, entirely out of the way, when it's not needed.<sup>\*</sup>

\*Honda reminds you to properly secure items stored in the cargo area. †Drive responsibly. State laws prohibit distracted driving.

### EXERCISE YOUR OPTIONS

From passengers to possessions, the 2007 CR-V has a voluminous interior flexible enough to handle it all. Many seating configurations are possible thanks to the 60/40 split rear seats, which also slide forward and back to make more legroom. With the rear seats folded forward, there's more than 72 cubic feet of cargo space – a great excuse to bring along more toys.

### FARTHER IS ALWAYS BETTER.

With more power and surefooted agility, the new CR-V is a thrill to drive. And great mileage will help keep it that way.<sup>5</sup>

### i-VTEC, ULEV AND YOU

Just how do our engineers get both power and efficiency out of an engine? It's no secret—it's just science. Like i-VTEC,<sup>\*</sup> the latest version of our variable valve timing and lift electronic control. It provides both low-rpm torque as well as plenty of horsepower at higher revs. The smart, efficient powerplant also earns the CR-V Ultra-Low-Emission Vehicle (ULEV) designation.

### 5 SPEEDS, NO CLUTCHING

The new, smooth-shifting 5-speed automatic transmission is tuned to provide both brisk acceleration and relaxed highway cruising. It also features Honda's Grade Logic Control to prevent unwanted upshifts and downshifts in hilly terrain.

### 4-WHEELED CONFIDENCE

The available Real Time 4WD<sup>™</sup> system is just the thing for drives in the snow or wet-or really any slippery surface. If the system detects a loss of traction, it can automatically send power to the rear wheels to help keep you underway.

### LΧ

EX-L

166-hp, 2.4-liter, 16-valve i-VTEC engine • 5-speed automatic transmission • Maintenance Minder system • Available Real Time 4-wheel-drive system • Anti-lock braking system (ABS) with EBD and Brake Assist • Vehicle Stability Assist<sup>™</sup> (VSA<sup>®</sup>) with traction control • Tire Pressure Monitoring System (TPMS) • Front, front side and side curtain airbags with rollover sensor • Driver's and front passenger's active head restraints • Daytime Running Lights (DRL) • 160-watt AM/FM/CD audio system with 4 speakers • MP3/auxiliary input jack • 12-volt power outlets (front and rear) • Air conditioning with airfiltration system • Tilt and telescopic steering column • Conversation mirror with sunglasses holder

- Power windows, door locks and side mirrors
- Retractable center tray table Upper and lower glove compartments Under-seat storage bin
- 60/40 split sliding fold and tumble forward rear seats
- Ambient console lighting 
   Remote entry system

One-touch power moonroof with tilt feature • Chrome grille and rear license trim • Variable intermittent windshield wipers • Rear privacy glass • Security system • Steering wheelmounted audio controls • 12-volt power outlets (front/center tray/ rear) • Dual-deck cargo shelf • 160-watt AM/FM/6-disc in-dash audio system with 6 speakers • Exterior temperature indicator • 17" alloy wheels

### X-L

Leather-trimmed seats and armrests • Heated front seats · Heated side mirrors · Bodycolored side mirrors and door handles • XM Satellite Radio<sup>2</sup> • 12-volt power outlets (front/ center console/rear) • Available Honda Satellite-Linked Navigation System<sup>1</sup> with voice recognition and rearview camera • 270-watt AM/FM/6disc center-console audio system with 7 speakers, including subwoofer (with navigation) • Digital audio-card reader (with navigation)

We'll understand if you find it difficult to choose from among the three hot new CR-V models. But no matter which one you go for – the well-equipped LX, the feature-rich EX or the leather-trimmed EX-L–you're sure to enjoy a whole new kind of driving experience. And since it's a Honda, the fun's going to last a long, long time, too.

# SECURE.

### FEEL CONFIDENT IN CR-V'S STRENGTH AND INGENUITY.

In a CR-V, you can drive with the confidence that Honda's Safety for Everyone in<mark>i</mark>tiative brings. Every CR-V comes standard with features like a rugged A**C**E<sup>™</sup> body structure, six airbags, anti-lock braking (ABS), Vehicle Stability Assist (VSA) with traction control and a Tire Pressure Monitoring System (TPMS). Our emphasis on safety can help you enjoy every ride in your new Honda.

CR-V EX-L shown in Ivory Leather with available Honda Satellite-Linked Navigation System. Front airbags inflate and deflate in a fraction of a second.

### **CRASH COURSES**

We learn by testing in some of the world's most sophisticated labs. The knowledge gained is seen in how we engineer our vehicles, with front and rear crush zones that help absorb crash energy before it can reach the strong passenger compartment.

### CHILD-MINDED

The CR-V's standard Lower Anchors and Tethers for Children (LATCH) system makes it easier to install compatible child seats.

### SIX AIRBAGS

A full array of airbags is at the ready to help protect you and your passengers in sufficient impacts. Dual-stage. dual-threshold front airbags, front side airbags and side-curtain airbags are all standard equipment in every CR-V.\*

### SAFETY ON DEMAND

The passenger's front side airbag features an Occupant Position Detection System (OPDS) that's been designed to prevent the airbag from deploying if a child or small-statured person is in the path of deployment.

### ADVANCED BRAKING

The 4-wheel anti-lock brakes also feature Brake Assist, which helps apply full braking in some emergency situations. Electronic Brake Distribution (EBD) helps balance braking forces depending upon dynamic loading.

### VEHICLE STABILITY ASSIST

VSA helps sense oversteer and understeer, and then can adjust brake pressure at each wheel and reduce engine power to help restore the driver's intended path of travel.

### ACE BODY STRUCTURE

Honda's Advanced Compatibility Engineering<sup>™</sup> (ACE) body structure increases impact compatibility with different-sized vehicles. In front-end collisions, it helps to redirect crash energy around the rigid passenger compartment, enhancing protection.

### ACTIVE HEAD RESTRAINTS

The CR-V now features active head restraints in the front seats. which can deploy in a sufficient rear impact and help reduce head and neck injury.

\*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat.

### SAFETY FOR EVERYONE.

Through a comprehensive and evolving approach to vehicle safety, Honda seeks to provide a high level of occupant and pedestrian protection in our cars and trucks, regardless of size or price, as well as increased crash compatibility with other vehicles.

## INNOVATIVE.

### DREAMS ARE OUR DRAWING BOARD.

Soichiro Honda founded the Honda Motor Co. in 1948 to help people get around. His core values have shaped what Honda is today. Listening to people and understanding their needs has always been first. Safety, reliability, environmental responsibility and driving fun are must-haves. And the power of ingenious thinking can make great things possible.

Counting our generators, motorcycles, watercraft, outboard motors, tillers, lawnmowers, pumps, cars, trucks and more, Honda has become the largest manufacturer of engines in the world.

### 28,000 AMERICAN ASSOCIATES PITCH IN. Honda has assembled cars here since 1982. Today, nearly 4 of 5

Honda vehicles sold in the U.S. are assembled in North America– with the help of 530 U.S. suppliers. And many of our new models are designed and engineered in the United States as well.

### WE'RE ALWAYS LOOKING AHEAD.

Meet ASIMO,<sup>™</sup> the world's most advanced and capable humanoid robot. A prime example of pure Honda ingenuity, this remarkable machine could one day help improve the lives of many people who have limited physical abilities.

ASIMO

### MAKING YOUR MONEY WORK HARDER. Every Honda is a model of smart value, thanks to timeless design, loads of standard features, legendary reliability and extended maintenance intervals. For proof, see our

Best Resale Value awards from *Kelley Blue Book*,<sup>\*</sup> our eight 2006 Best Overall Value of the Year awards from IntelliChoice<sup>\*7</sup> and – for the third year in a row – the prestigious Industry Brand Residual Value Award from the *Automotive Lease Guide*.<sup>\*</sup>

THINGS ARE REALLY TAKING OFF.

enjoy the wet stuff.

RULE THE WAVES ON A HONDA. With our highly regarded AquaTrax<sup>®</sup> personal watercraft and our lineup of outboards from 2 to 225 hp, Honda gives you a wide variety of ways to

True to the challenging spirit of Honda, our HondaJet<sup>™</sup> delivers real innovation in aviation. This fast, fuel-efficient aircraft is unusually spacious inside, too–like all Honda vehicles.

## EnvironmenTol28y

The Honda legacy of innovation is unmatched in the vehicle industry. We have long acted on our spirited commitment to creating environmentally responsible technology, yielding world-changing advances in fuel economy, low emissions and leading-edge hybrids. And as always, our attention is focused on the future. In fact, a Southern California family is already driving a limited-production Honda FCX hydrogen fuel-cell car in the Los Angeles area on a daily basis. It's all part of Honda's Environmentology."
