

# 2007 SANTA FE | INTRODUCTION

# RETHOUGHT FROM THE GROUND UP AND REINVENTED TO EXPLORE YOUR WORLD.

Introducing the all-new 2007 Santa Fe. We started with a blank canvas, and created a vehicle with a combination of standard safety technologies that's unsurpassed in its class. One that features a stunning new design, exhilarating performance, and outstanding versatility. The Santa Fe has just one mission, which it accomplishes beautifullyto take you through life's adventures in comfort, style and security. But don't take our word for it. Here's what Automobile.com had to say: "...the new Santa Fe looks to deliver where its competitors have often not measured up."\*

\*Automobile.com, February, 2006

You'll realize you're in a different kind of vehicle the moment you get behind the wheel. That's because the 2007 Santa Fe has been engineered with an emphasis on performance. It boasts a new fuel-efficient V6 engine for spirited acceleration and a compliant 4-wheel independent suspension that handles everything from city streets to mountain switchbacks with car-like agility and poise. Santa Fe also offers an on-demand all-wheel-drive system for superior traction on every road surface.

#### 2007 SANTA FE | PERFORMANCE

- 2.7-LITER, 185-HP V6 ENGINE ON GLS
- 3.3-LITER, 242-HP V6 ENGINE ON SE AND LIMITED
- CONTINUOUSLY VARIABLE
   VALVE TIMING
- 4-WHEEL INDEPENDENT SUSPENSION
- FRONT-WHEEL OR ALL-WHEEL DRIVE CONFIGURATIONS
- 5-SPEED AUTOMATIC TRANSMIS-SION WITH SHIFTRONIC<sup>®</sup> ON SE AND LIMITED

### 2007 SANTA FE | COMFORT

Once you're inside the Santa Fe, you'll find yourself immersed in a world of tasteful comfort. Elegant woodgrain accents create a refined statement as you embark on your adventures. Bright gauges deliver information clearly and accurately. In the Limited model, heated front seats will keep you warm and toasty on cold winter mornings, and a handsome, leather-trimmed interior cradles your body as it rewards your sense of style.

- AIR CONDITIONING WITH **CABIN AIR FILTER**
- TILT-AND-TELESCOPIC **STEERING WHEEL**
- IN-DASH 6-DISC CD CHANGER\*
- LEATHER-TRIMMED INTERIOR **ON LIMITED**
- REAR DVD ENTERTAINMENT SYSTEM\*

\*Available as part of an option package

# 2007 SANTA FE | SAFETY

#### Six Airbags

The standard airbag system<sup>1</sup> includes advanced dual front airbags, front side-impact airbags, and front and rear side-curtain airbags. The front passenger Occupant Classification System prevents airbag deployment if the seat is unoccupied or the passenger is below a predetermined weight.

The Supplemental Restraint System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or sideimpact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag.

### Electronic Stability Control

ESC<sup>1</sup> with Traction Control is an active safety system that helps keep the vehicle on its intended path by automatically applying the brakes to individual wheels and adjusting throttle input as required.

#### **Child-seat Anchors**

In the Santa Fe, even the smallest passengers receive uncompromising protection. Installing child seats securely is easy and fast, thanks to LATCH child-seat anchors on both second-row outboard seats.<sup>2</sup>

<sup>1</sup>Electronic Stability Control (ESC) with Traction Control System (TCS) cannot control your vehicle's stability under all driving situations. ESC with TCS is not a substitute for safe driving practices. No system, no matter how advanced, can overcome physics or correct poor driving. The driver is always responsible for controlling the vehicle, and must use caution to avoid loss of control in all driving conditions. Speed, road conditions and driver steering input will affect whether ESC with TCS can help prevent loss of control. See Owner's Manual for details.

#### **Structural Integrity**

The Santa Fe's reinforced unibody construction is intelligently engineered to absorb collision energy. High-tensile steel provides solid structural integrity, while front and rear crumple zones, bodyside reinforcements, hood-buckling creases and an energy absorbing steering column help protect you in an impact from any direction.

<sup>2</sup> Child restraint system designs vary. Always consult instructions provided by manufacturer before installing.

2007 SANTA FE | PERFORMANCE

The Santa Fe is designed to effortlessly handle anything that life brings your way, whether it's a group of friends out on the town, a week's worth of groceries or a carload of gear for a weekend getaway. Available seating for seven, a 60/40 split fold-down 2nd-row seatback and a liftup tailgate make sure that everything and everyone you bring along for the ride is handled conveniently and comfortably.

- SEATING FOR SEVEN WITH AVAILABLE HYUNDAI HIDEAWAY™ 50/50 SPLIT, FOLD-INTO-FLOOR 3RD-ROW SEATS
- NINE BEVERAGE HOLDERS
   WITH 3RD-ROW SEATS
- MORE 3RD-ROW LEGROOM THAN HONDA PILOT, ACURA MDX AND VOLVO XC90
- FOUR 12-VOLT OUTLETS AND AVAILABLE 115-VOLT OUTLET
- IN-FLOOR CARGO STORAGE

## 2007 SANTA FE | STYLING

With all of the capabilities the Santa Fe has to offer, it would be a shame if it didn't look the part. Not to worry. It comes wrapped in a stylish exterior that's certain to draw attention wherever you go. It features an aggressive, wide stance, sweeping curves, chrometipped dual exhaust and standard 18" alloy wheels on SE and Limited, all of which create a look that's as sleek as it is elegant.

# STREAMLINED, CONTEMPO-RARY BODY DESIGN

- CHROME-TIPPED DUAL EXHAUST
- INTEGRATED FRONT FOG LIGHTS\*
- REAR PRIVACY GLASS
- 18-INCH, SIX-SPOKE ALLOY WHEELS\*
- AERODYNAMIC BODYCOLOR REAR SPOILER ON LIMITED

\*On SE and Limited

SE IN EBONY BLACK AND LIMITED IN BRIGHT SILVER

#### 2007 SANTA FE | FEATURES

- REMOTE KEYLESS ENTRY SYSTEM WITH TAILGATE UNLOCK
- FOLDING HEATED POWER
   SIDE MIRRORS
- WINDSHIELD WIPER DE-ICER
- POWER TILT-AND-SLIDE SUNROOF\*
- AVAILABLE AUTOMATIC HEADLIGHTS
- AVAILABLE ELECTROCHROMIC AUTO-DIMMING REARVIEW MIRROR WITH HOMELINK®

\*Available as part of an option package

#### Large Storage Possibilities

The Santa Fe can handle just about any load you'll throw at it. The one-touch adjustable roof rack accommodates extra-large items, and rear seats can be configured for maximum storage versatility inside.

#### Comfort

Multi-adjustable seats come standard on every Santa Fe to keep you perfectly positioned for miles. Choose heated seats to keep you warm and toasty when you take to the road on those cold winter mornings.

#### Music

The Infinity<sup>®</sup> Logic 7<sup>®</sup> Surround Sound audio system,<sup>\*</sup> with in-dash 6-disc CD changer and MP3-compatible technology, features 605 watts of mega-power with an 11-channel external amplifier and 10 speakers. The Santa Fe comes loaded with features that make every drive more comfortable and more enjoyable. Amenities like heated power side mirrors and cruise control add a touch of upscale convenience to even the most routine daily errands. As does the available HomeLink integrated transceiver that can open automatic garage doors, turn on your house lights and even deactivate your home alarm system with just the push of a button!

<sup>†</sup>Additional equipment may be required from system manufacturer. HomeLink is a registered trademark of Johnson Controls, Inc.

\*Available as part of an option package. Infinity is a registered trademark of Harman International Industries, Inc.

# AMERICA'S BEST WARRANTY™

The best. We can say it because it's true. Hyundai is leading the way with important standard safety technologies, while continuing to raise the bar for comfort and refinement. And the quality of every vehicle is backed by America's Best Warranty\*—evidence of our steadfast commitment to building only the highest-quality automobiles. So no matter which Hyundai you choose, you can get out there and drive your way.
