

CRUZE 2016

CHEVROLET

Cruze Premier in Kinetic Blue Metallic (extra-cost color) with available features including the RS Package.

ALL-NEW 2016 CRUZE. A STEP FORWARD.

The bold, all-new 2016 Chevrolet Cruze is designed to help get you as far as your imagination can take you. Cruze offers features like Apple CarPlay™ and Android Auto™ compatibility¹ as well as available OnStar 4G LTE and built-in Wi-Fi® hotspot.² So you're always plugged into what and who is important to you.

Available active safety features make the most of advanced technologies. Cruze works hard to keep you moving by offering estimated fuel economy of up to 42 MPG³ highway on LT and 40 MPG³ highway on Premier, and up to a maximum highway range of 570 miles per tank.⁴ Cruze helps you reach your destination with style, and with fewer stops along the way.

FIND NEW ROADS™

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available with optional Chevrolet MyLink with 8-inch diagonal display. ² Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. ³ EPA-estimated MPG city/highway: Cruze LS/LT with 1.4L 4-cylinder engine and manual transmission 29/41; Cruze LS/LT with 1.4L 4-cylinder engine and automatic transmission 30/42; Cruze Premier with 1.4L 4-cylinder engine 30/40. ⁴ Based on EPA highway estimate for Cruze LT with 1.4L 4-cylinder engine and automatic transmission and fuel tank capacity. Your range may be less.

Apple CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google Inc.

EXTERIOR DESIGN

**THIS KIND OF CONFIDENCE
TAKES YOU EVERYWHERE.**

**Cruze Premier in Kinetic Blue Metallic
(extra-cost color) with available
features including the RS Package.**

Cruze Premier in Kinetic Blue Metallic (extra-cost color) with available features including the RS Package.

AERODYNAMIC LINES. Expressive exterior styling and a swept roofline give Cruze a fluid, dynamic feel. New proportions provide both aero-efficiency and a sense of motion in the flowing lines.

ILLUMINATING DESIGN. Available LED daytime running lamps light the way with bright efficiency. A roof panel-integrated center high-mounted LED stoplamp adds to the refined look of the vehicle.

A SENSE OF MOTION. A prominent chrome grille surround wraps into the headlamps, creating a wider front face and a striking first impression. Body-color door handles flow into the shoulder line, contributing to the fluid design.

DISTINCTIVE DETAILS. Take sporty design to the next level with the available RS Package, which includes front and rear sport fascias, a spoiler, rockers and foglamps. Available 18-inch wheels on the Premier complement the strong style statement.

EXTERIOR DETAILS COMPLETE THE DESIGN STORY.

- 1. Bold sculpted taillamps contribute to the sporty rear view.*
- 2. The available RS Package includes design details like the distinctive RS badge on the front grille.*
- 3. Dual-function projector-beam headlamps with signature LED daytime running lamps add refined capability. Standard on LT and Premier.*

CREATE YOUR OWN FINISH LINE.

Cruze Premier in Tungsten
Metallic with 17-inch aluminum
wheels and available features.

INTERIOR DESIGN

Cruze Premier interior in Jet Black with leather appointments and available features.

**UNCOMMON EXTRAS
PROVIDE EVERYDAY COMFORT.**

Cruze Premier interior in Jet Black with leather appointments and available features.

¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn.

The sleek design story continues in an interior created to make every moment of the journey more rewarding. Cruze has been designed for good looks and high function, with an intuitive layout and plenty of room for friends and all of life's other necessities, both big and small.

FIRST-CLASS DETAILS. Cruze was crafted with the thought that what covers the seats is as important as how comfortable they are. Premium surfaces abound, from meticulously stitched available leather-appointed seats to Galvano chrome accents.

MORE PERSONAL SPACE. With ample front and rear leg room, you can stretch

out and enjoy the ride. Improved rear knee clearance allows for ease of entry and exit, which comes in handy on a night out with friends.

CONTROL YOUR COMFORT. Cruze turns the most ordinary trip into an occasion. Chase the chill away with available heated front and rear seats for outboard passengers. A heated steering wheel,

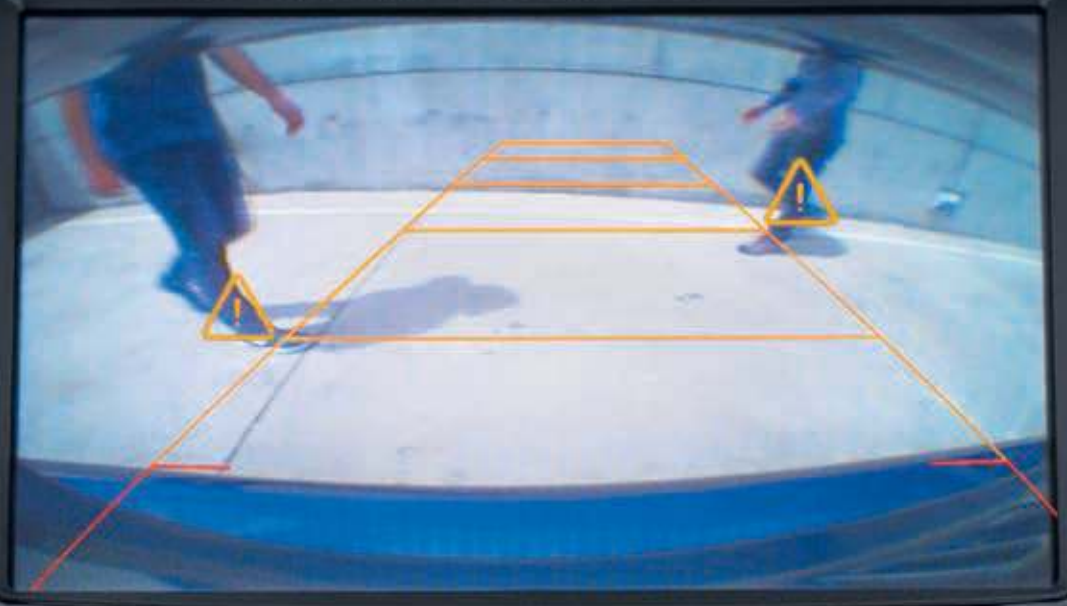

standard on Cruze Premier, is ideal for brisk days.

UNCOMMON EXTRAS. The signature dual cockpit interior provides ingenious storage for the important things and available wireless charging¹ with Cruze Premier. There's a slot to tuck away your smartphone in the center armrest, plus additional storage in the center console.

LITTLE DETAILS MAKE A BIG IMPACT.

-
- 1. Available heated leather-appointed seats offer welcome warmth to rear-seat passengers.*
 - 2. Improved leg room and knee clearance give rear-seat passengers a more comfortable ride.*
 - 3. Handy door controls keep comfort within easy reach. The standard express-down feature rolls down the window with the flick of your finger.*
 - 4. Stylish contrast stitching on the seats proves that details really do matter.*
-

TECHNOLOGY

¹ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. Android Auto is not currently available with optional Chevrolet MyLink with 8-inch diagonal display. ² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Map coverage available in the United States, Puerto Rico and Canada. ⁴ Data plan rates apply. ⁵ Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. ⁶ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.

iPhone and Siri are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google Inc.

EASY ACCESS TO YOUR SMARTPHONE.

With available Android Auto™ compatibility,¹ you can interact with select smartphone apps. This system takes some of your Android phone's features and puts them on the Chevrolet MyLink² display in a smart, simple manner. You can access your phone, text messages, music, navigation³ and more.

APPLE CARPLAY COMPATIBILITY.

With Apple CarPlay,¹ you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Cruze display. You can even interact with some of your favorite audio apps, such as iHeartRadio⁴ and Spotify.⁴

CHEVROLET MYLINK CONNECTIVITY.

The available 8-inch or standard 7-inch diagonal Chevrolet MyLink² Radio full-color display lets you stay in tune with your Cruze. Connect your compatible smartphone via Bluetooth® wireless technology⁵ and listen to music, get directions or make phone calls.

LEADING THE WAY. Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi®⁶ to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.⁶ It offers great signal quality and bandwidth for up to seven devices.

REMOTELINK. Download the OnStar RemoteLink^{®1} and myChevrolet² mobile apps to your smartphone to remotely start your Cruze (requires available factory-installed and enabled remote vehicle starter system), lock and unlock your doors, locate your vehicle and more.

INTERIOR AMENITIES ABOUND.

1. Enjoy easy access to infotainment features via the available 8-inch diagonal Chevrolet MyLink^{3,4} color touch-screen.
2. If you have a compatible iPhone, you can use Siri Eyes Free⁵ to compose and read text messages, access your calendar, get game scores, check the weather and more – all hands-free.
3. Cruze features available push-button start technology.
4. A jeweled instrument panel cluster with chrome bezel accent blends style and function.

¹ Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations. ² Requires Apple iOS or Android platform. ³ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁴ Map coverage available in the United States, Puerto Rico and Canada. ⁵ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or newer.

iPhone and Siri are trademarks of Apple Inc., registered in the U.S. and other countries.

PERFORMANCE

Cruze LT in Siren Red Tintcoat (extra-cost color) with available features.

42

MPG HIGHWAY¹

153

HORSEPOWER

1.4L

TURBO ENGINE

42 MPG ON THE HIGHWAY¹ Cruze offers a combination of power and efficiency that keeps you going longer between fill-ups. The all-new ECOTEC[®] 1.4L turbocharged engine paired with the available 6-speed automatic transmission delivers a premium driving experience and offers an estimated 42 MPG highway¹ and up to a maximum highway range of 570 miles per tank.²

STOPPING POWER. With an engine that can take you from 0 to 60 mph in 7.7 seconds,³ control is important. Standard Duralife[™] brake rotors feature corrosion-resistant technology that provides protection against rust to help prevent steering wheel shudder during braking.

SMOOTH IN THE TURN. Cruze steering, suspension and braking systems are designed to deliver tight handling that makes it a blast to drive. Advanced chassis systems provide nimble, agile handling and comfort, whatever scenic route you choose to take.

¹ EPA estimate for Cruze LS/LT with 6-speed automatic transmission. ² Based on EPA highway estimate for Cruze LT with 1.4L 4-cylinder engine and automatic transmission and fuel tank capacity. Your range may be less. ³ On Cruze LS/LT with available 6-speed automatic transmission.

FORWARD COLLISION ALERT WITH FOLLOWING DISTANCE INDICATOR. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Cruze is following a detected vehicle much too closely.

LANE KEEP ASSIST. At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

SIDE BLIND ZONE ALERT. This available feature uses radar sensors on both sides of the vehicle to help “look” for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior mirrors.

LANE CHANGE ALERT. Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 65 feet away, not just in the side view mirror blind zones.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as the available Side Blind Zone Alert feature, available Rear Cross Traffic Alert helps warn drivers of approaching traffic when backing up. If an approaching vehicle is detected, the driver is warned with visual and audible alerts.

REAR VISION CAMERA. When traveling in reverse at low speeds, the rear vision camera allows you to see stationary objects behind you.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert when it detects certain stationary objects up to eight feet behind the vehicle.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when taillamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

1

2

3

ADVANCED SAFETY TECHNOLOGIES BRING CONFIDENCE TO EVERY RIDE.

1. Front and rear “crush zones” are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin!
2. Cruze is engineered with available advanced safety technologies like Side Blind Zone Alert, which flashes a visual alert in your mirror to warn you of a threat.
3. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Cruze to see if you need help – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response² is included in the OnStar Guidance Plan,³ which is standard for 6 months.

¹ Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. ² Visit onstar.com for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³ Visit onstar.com for coverage map, details and system limitations.

WARRANTY

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2016 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 5 years/60,000 miles (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

¹ Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. ² Whichever comes first. See dealer for details. ³ Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. ⁴ Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations. ⁵ Visit onstar.com for coverage map, details and system limitations. ⁶ Cargo and load capacity limited by weight and distribution.

IMPORTANT INFORMATION

Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at

the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Compact Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.
