The combination of a 3.5-liter V6 engine, intelligent CVT (Continuously Variable Transmission) and intuitive All-Wheel Drive deliver refined, confident control. Real-time traffic updates from the available navigation system ensure smooth sailing.<sup>1,2</sup> Six standard air bags add to your feeling of well-being.<sup>3</sup> And now, introducing the world's first All-Wheel Drive crossover convertible, the Murano® CrossCabriolet™. It features the same spacious interior, premium standard features and powerful V6 engine of the original, with an all-new perspective.
