

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE MURANO® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Murano® and every Nissan in the lineup. Available on desktop or smartphone, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Or download the **Interactive Brochure Hub app on your tablet. Free on the App Store® and Google Play.™**

Innovation

2018
MURANO®

¹AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. ²FCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. ³Available feature. ⁴BSW is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁵Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ⁶Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see dealer, Owner's Manual, or NissanUSA.com/connect/important-information. ⁷Extra cost option. ⁸VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁰Information displayed is dependent on how vehicle is equipped. ¹¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹²Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ¹³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ¹⁴Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. ¹⁵TPMS is not a substitute for regular tire pressure checks. ¹⁶Vehicle must be on for the Easy-Fill Tire Alert to operate. ¹⁷Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. ¹⁸Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ¹⁹State and local laws, regulations or ordinances may apply based on the location of the vehicle. ²⁰IAVM cannot completely eliminate blind spots and may not detect every object. Operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. ²¹It is the driver's responsibility to remain alert at all times. Intelligent Driver Alertness is only a warning to inform the driver of a potential lack of driver attention or drowsiness. It does not detect and provide an alert in every situation. See Owner's Manual for details. ²²ICC is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ²³Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²⁴Blind Zone Mirrors are not a substitute for proper lane change procedures. May not display every vehicle or object around you. ²⁵Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. ²⁶Actual mileage may vary with driving conditions - use for comparison purposes only. 2017 EPA fuel economy estimates shown. 2018 EPA estimates not available at time of printing. A UNIQUE SOCIAL SPACE

Murano's lounge-like interior is designed to bring people together. The wider center console allows everyone to mingle without leaning or straining. And with meaningful available technology within arm's reach of any seat, Murano® makes every drive an all-inclusive trip.

Nissan Intelligent Mobility empowers you with tomorrow's technology so you can take on today. You'll make every move with greater awareness and get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel – the way driving was always meant to be.

- Intelligent Forward Collision Warning²
- Automatic Emergency Braking¹
- Blind Spot Warning^{3,4}
- Rear Cross Traffic Alert^{3,5}

INTELLIGENT ALL-WHEEL DRIVE

Take on more. Murano's available Intelligent AWD tackles a variety of terrains, while helping to keep you confident on the road. The 260-hp, 3.5-liter V6 engine provides impressive power without sacrificing efficiency.

- Available All-Wheel Drive
- 260-hp, 3.5-liter V6
- Hill start assist

SMARTPHONE CONNECTIVITY

Access the things you want to do on your phone, directly on Murano's 8.0" color display. Standard for 2018, Apple CarPlay™ and Android Auto™ work with your compatible phone to help keep you connected. Adjusting volume and toggling functions comes easy with steering wheel-mounted controls.⁶

Apple CarPlay™ brings access to apps, while Siri® recognizes voice commands, serving up personalized music selections, directions, and more.⁶

Android Auto™ provides useful information, like suggested routes, upcoming appointments, and weather forecasts. It's all displayed on-screen as user-friendly, scrollable cards to keep you in the know.⁶
